

Item No.: WA2345  
EAN: 634240023453

## Secure, Anti-shake Holder

PowerPal® car holders are designed to fit all cars, at a price point that means everyone can afford to invest in their own and others' safety.

The use of a mobile phone holder in the car improves both the safety, convenience and efficiency of the driver, while protecting the smartphone and making it easier to use its functions while driving.
