

Lumi Rainbow Sound

The new generation LED Light.

A complete new experience to create with sound and light. Lights with several colors at the same time. The microphone picks up sound and translates it into light without delay. Attach the strip to a wall above the computer, TV, in the gaming room, in the kitchen, conservatory or laundry room. Together with a bluetooth speaker, the mood you want is created and you control the colors with the App or remote control.

- ▶ **Multicolor LED strip - 5m**
- ▶ **New technology provides clearer light and several colors at the same time**
- ▶ **Built-in microphone for synchronization between sound & light**
- ▶ **Control with App or remote control**
- ▶ **USB Charging**

Item No: WA2303
EAN Code: 634240023033
