

Item No: WA2306

EAN Code: 0634240023064

Smart responsive lighting where you want it

Smart LED strip for decoration and mood lighting. Fasten under the ceiling molding, under the bed, under the kitchen cupboard or bookshelf. Cut the desired length, there is a clear marking where you can cut the molding. Built-in sensitive microphone synchronizes between sound and light. Control color and light with voice, app or remote control. The microphone also takes in external sound from speakers. Smart responsive lighting where you want it.
